4-H CLOVERBUDS & EXPLORERS

Cloverbuds and Explorers is a unique 4-H program for members in grades K-2 that offers age-appropriate learning experiences centered on early life skill development for elementary youth, including special day camps, curricula and judging events for our youngest youth.

The 4-H Pledge

I pledge my head to clearer thinking,
My heart to greater loyalty,
My hands to larger service,
and my health to better living,
for my club, my community, my
country, and my world.

Development

Buffalo County 4-H Youth Development

4-H is a community of young people, across America, learning leadership, citizenship and life skills.

With over 100 adult volunteers and more than 450 youth members, the Buffalo County 4-H program supports young people from elementary school through high school with programs designed to grow confident, capable, and caring youth with the life skills to thrive in today's world and succeed in their boldest dreams for tomorrow. Working in partnership with the University of Wisconsin, 4-H programs are research-backed and offer life-changing experiences to youth around the world and in Buffalo County!

“Buffalo County 4-H is an amazing, caring organization for youth to learn and grow.”

4-H OPPORTUNITIES

- BUFFALO COUNTY FAIR
- DAY & OVERNIGHT CAMPS
- CLOVER COLLEGE
- IN & OUT OF STATE TRAVEL
- STEAM DISCOVERY DAYS
- 4-H PROJECT MEETINGS

4-H AFTERSCHOOL

4-H Afterschool programs meet each school day at the Cochrane-Fountain City School or the Mondovi Community Youth Center. The programs are designed to provide academic enrichment and life skill development for youth in grades K-6 under the leadership of youth protection certified college students and volunteers. Youth enrolled in 4-H Afterschool receive the same benefits and opportunities as members in traditional 4-H clubs.

4-H COMMUNITY CLUBS

Twelve community 4-H clubs are active across Buffalo County. Each club is open to youth in grades K-13. 4-H Community clubs meet traditionally once a month to participate in business meetings, social activities and learning experiences centered on 4-H project work. Youth and adults work in partnership to provide leadership for 4-H community clubs to ensure they are welcoming and engaging for all members.

4-H SCIENCE

Buffalo County 4-H offers opportunities to engage in Science, Technology, Engineering and Math (STEM) learning activities aimed at increasing youth critical thinking and 21st century problem solving skills through inquiry-based programming.

4-H YOUTH LEADERSHIP

Leaders in Buffalo County 4-H are cultivated through 4-H project work, travel experiences, youth leader council, judging and competitions, 4-H club meetings and youth-adult partnerships.

4-H SERVICE-LEARNING

Learning through community service is a priority in Buffalo County 4-H. 4-H youth and adults give back to their local communities by serving others of diverse backgrounds.

4-H Grows COMPASSION—CONFIDENCE—COURAGE—CURIOSITY

We're empowering young people in our Buffalo County communities with the skills to lead for a lifetime.
