Project Goals

This year I want to learn how to:

Project #1

Project #2

Project #3

Project #4

Project Highlights

Your experiences are worth remembering! On the following pages, write down the important and exciting things you did and learned by doing each project this year.

Don't be afraid to tell about your mistakes. Some of the greatest things we learn come from making mistakes first!

Project #1

I learned how to:

This part was the most difficult:

This part was the most fun:

The supplies/materials for this project cost _____ dollars.

Use this space to include a photo of yourself and your project:

Project #2

I learned how to:

This part was the most difficult:

This part was the most fun:

The supplies/materials for this project cost _____ dollars.

Use this space to include a photo of yourself and your project:

Project #3

I learned how to:

This part was the most difficult:

This part was the most fun:

The supplies/materials for this project cost _____ dollars.

Use this space to include a photo of yourself and your project:

Project #4

I learned how to:

This part was the most difficult:

This part was the most fun:

The supplies/materials for this project cost _____ dollars.

Use this space to include a photo of yourself and your project:
