ADDRESS OF PROPOSED SITE FOR BARN QUILT: (include photo of site)

The estimated average cost of a Barn Quilt is \$250. Please select one of the following options:

I will incur the total cost of the Barn Quilt. I will make a \$250 donation to the Buffalo 4-H Club who is developing the Barn Quilt.

I will contribute to the cost of the Barn Quilt. I am willing to donate \$_____ to the Buffalo 4-H Club who is developing the Barn Quilt.

I am requesting that a Buffalo County 4-H Club cover the entire cost of the Barn Quilt at the proposed site.

During the spring and summer of 2014, Buffalo County 4-H Club Members will develop, paint and install Barn Quilts across Buffalo County as part of their Countywide Service-Learning Project. **Is there a specific Buffalo County 4-H Club that you are interested in working with? If so, please provide the name of the 4-H club or a club leader/member:**

The Barn Quilts will be 8 feet square. Patterns will be chosen from the *Encyclopedia of Pieced Quilt Patterns* by Barbara Brackman and completed in primary and secondary colors only. Final decisions for quilt patterns will be made by the 4-H Club or the Buffalo County 4-H Leaders Association.

Do you have a quilt pattern already selected? If so, please attach the name and copy of the pattern.

Do you have colors already selected? If so, please list: _____

Part of the service-learning portion of this project is developing oral histories about the agricultural building and/or the host family. By requesting a Barn Quilt you are providing your permission to participate in an oral history interview and have your story shared in promotional materials developed for Buffalo County Barn Quilts. **Please answer the following questions to help begin the oral history story.**

- Why are you interested in having a Barn Quilt?
- From your perspective, what is the most significant part of living in Buffalo County?
- Were you a member of 4-H? If so, what was your most vivid memory of 4-H?
- How long has the proposed site been in the family? Who bought it and when? When was the barn/building built? What was its original function? What is it used for now?
- Please share any interesting stories about the barn, the farm, the area or your family:
